

# STAND UP FOR EQUAL ACCESS! PROTECT OPEN SPACE! Don't Let Rec & Park Destroy Our Parks & Our Communities

The Recreation & Parks Department's new Draft Dog Policy calls for fenced, grassless dog pens in our neighborhood parks. And they expect dog owners to help pay for them! They intend to force all of San Francisco's off-leash dogs and their owners into a maximum of .7% of the city's parklands and to ticket people with off-leash dogs in the remaining 99.3%!! If this policy is approved, it will be a travesty for dog owners and non: It will rob us of equal access to the parks our tax dollars pay for and will destroy the beauty of our precious open spaces. **It will adversely affect every park in the city.**

We only have until **August 13** to demand a new and better policy, so **DON'T DELAY!**

## WHAT YOU CAN DO

**WRITE!** The public comment period is happening right now, and your written comments are urgently needed. You can see the draft Dog Policy on line and access all the email addresses you need at [www.sfdog.org](http://www.sfdog.org). Or call Rec & Park at 415-831-2084 to have a copy of the policy sent to you. Write from your heart. Tell them what you want! Tell them what your park means to you.
